REQUEST FOR RECONSIDERATION OF
PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.705, Applicants respectfully request reconsideration of the Patent Term Adjustment (PTA) to read fifty-two (52) days, as opposed to the zero (0) days of PTA as indicated in the Determination of Patent Term Adjustment forwarded with the Notice of Allowance dated June 2, 2004.

Attached please find a copy of the Determination of Patent Term Adjustment forwarded with the Notice of Allowance and the Notice of Allowability dated June 2, 2004, and a computer printout of the PTA History from the PAIR system.

Although the Determination of Patent Term Adjustment indicates that the PTA is zero (0) days, our investigation indicates that the proper PTA should be fifty-two (52) days. Accordingly, Applicants disagree with the Determination of Patent Term Adjustment, and present the following facts to support their contention that the patent term reward should be 52 days instead of 0 days.

Bases for the Adjustment – Applicants believe that the calculation of Applicants' Total Delay is incorrectly set forth as 232 days instead of 148 days as indicated by our Patent Term Adjustment Calculation System (a copy of which is attached).

Applicants received a Notice to File Missing Parts mailed January 19, 2001, and responded to this request on May 18, 2001 (a delay of 29 days). However, the PTO incorrectly set forth a 113 day delay since the PTO did not indicate that the application was complete until August 10, 2001 (a difference of 84 days). Accordingly, the Applicants believe that the PTO's calculation of 113 days delay between October 12, 2001 and March 12, 2002 is in error, and request that the Applicants be granted an additional 52 days of patent term.

Statements Pursuant to 37 C.F.R. § 1.705(b)(2)(iii) and (iv) - This application is not subject to a terminal disclaimer, and there were no circumstances constituting a failure to engage in reasonable efforts to conclude processing or examination of such application as set forth in § 1.704.

This request is being filed concurrently with payment of the issue fee, and attached with this request is a check for payment of the statutory fee of \$200.00 as set forth in 37 C.F.R. § 1.18(e).

Furthermore, the Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,
